

HOW TO WORK AT CAMP (this summer)

REQUEST AN APPLICATION.

Go to <http://www.nloma.org/Request.html> and request an application. You'll then be directed to download the application.

SUBMIT APPLICATION.

Be sure to put a first and second choice camp. Your first choice camp may be full, and another camp could use someone awesome like you!

INTERVIEW.

Your first choice camp will contact you to set up an interview. This could be in person or via a video chat.

BE PATIENT.

After you interview, your first choice camp will let you know when you can expect to hear back from them. All applications are considered at the NLOMA conference in February, so you may not hear back from a camp right away. After the NLOMA conference, a camp may contact you to hire you or set up another interview.

DECIDE TO ACCEPT POSITION.

If a camp contacts you and wants to hire you, the ball is in your court again. Let them know if your awesome self will be joining them this summer!

GET EXCITED!

Congratulations! You're going to share Jesus' love at camp this summer! All that's left is to wait in anticipation for the first day
